Thank you for looking at this prospectus for Chalkwell Academy Pre-Preparatory School.

Our vision is to ensure that the children in our care are nurtured, encouraged and supported to give them the best possible start to their education journey.

We know that girls and boys really do learn differently.

We also recognise that summer-born children can benefit physically, socially and emotionally from tailored pre-preparatory education enabling them to be more school ready.

Open mornings are arranged for families to visit the Academy and meet the teachers.

Please call us on 01702 472 600 to arrange a visit.

We look forward to meeting you and your family.

The girl is wearing a floral-patterned top. In the background, a book cover with the word "Tiger" is visible.

Our daily routine

Within our day we give the children a stable and secure routine where they can thrive and flourish. Each lesson is planned carefully to take into account the needs of the child and their stage of development. We will work with you, the parents, to ensure that your child is learning in the broadest sense.

Below we have outlined a typical day which will take place using both the indoor and outdoor areas. We will make time for free and spontaneous activities.
